

e-Builder is Coming Soon!

IP&O's Integrated Work Management System (IWMS) group is introducing a new capital planning and project management solution: e-Builder. Our team of Subject Matter Experts (SMEs) and trainers have been working hard to ensure a smooth roll-out, and we are nearly ready to provide you with the necessary support throughout the process.

Full support will continue throughout and beyond the roll-out.
Our mission empowers your success!

➤ Each e-Builder user will be thoroughly trained by our in-house training staff

➤ Podcasts will feature Core-Team members highlighting e-Builder functionality

➤ Q and A sessions will allow you to interact with our SMEs
