## Considering Appropriate Supervision Ratios

It is important to have supervision ratios in place that help ensure the safety of minors while participating in programs or activities at Rutgers University. The [American Camps Association](#) (ACA) has recommended the following:

AGE OF MINORS	# OF STAFF	OVERNIGHT PARTICIPANTS	DAY-ONLY PARTICIPANTS
5 years & younger		5 	6 
6-8		6 	8 
9-14		8 	10 
15-17		10 	12
