To our golfing community;

We are reaching out this afternoon to let you know that we continue to monitor the situation regarding the COVID-19 virus and its effect in our area and on our operating status. As of now, there are no confirmed cases on campus, and the university is continually monitoring the situation and providing updates as things change.

There are, however, some slight changes to our operations that we would like to share with you. In order to allow for proper staffing and extended cleaning each day, RU Golf Course will operate on the following, modified daily schedule for tee times and the practice and teaching facility;

- Tee times will begin each day at 9:00 am and there will be no carts allowed on the course past 6 pm; walking will be permitted.
- The golf cart rental schedule will change, and the last 18 hole cart rental will be at 1:57 pm and the last 9 hole cart rental will be at 3:54 pm.
- Super twilight will be moved to 4:00 pm.
- The Practice & Teaching Facility will open at 8:00 am and close at 5:00 pm
- For the week of March 15th, the snack bar will be closed. Future opening will be reassessed at the end of the week.
- A reminder that spring rates are currently in effect until April 12th. Please click the following link to be redirected to our Rates & Fees page at https://ipo.rutgers.edu/bs/golfcourse-fees

We take the health and safety of our staff, customers and visitors very seriously, and we want to assure you that we continue to follow the guidelines laid out by local, state and federal authorities as well as the New Jersey Department of Health, the Centers for Disease Control (CDC) and the World Health Organization (WHO).

We all have to play a part in keeping our community safe, and we are asking our staff and customers to follow the CDC guidelines on helping to prevent the spread of the virus;

- Wash your hands often and avoid touching your eyes, nose and mouth
- Avoid close contact and practice social distancing of at least 6 feet
- Cover coughs and sneezes and wash your hands immediately afterwards
  If you feel sick, please stay home and seek out medical care

This continues to be a rapidly changing situation, and we will use social media and email to make you aware of any changes in the status of the golf course operations. We know this is a difficult and unprecedented situation, and appreciate your patience and understanding as we move through it together. Please take care and we look forward to seeing you.
