Frequently Asked Questions

Who can use Special Program Permits?
Special Program parking permissions are for the use of individuals who are visiting the campus and are taking a non-credited course or program, which is run on regular basis. These may include workshops, lecture series, instructional programs etc.

Where can people park with this permit?
Parking is available in our commuter lots only.

How long is this permit valid?
This permit is valid for one semester. These permits are not valid for overnight or metered parking.

What if I don’t know the exact number of attendees?
You can estimate the maximum number of attendees expected (ex: 15-20 guests you should order at least 20 permit).

How many permits can a department order?
You may order as many as you need depending upon the frequency of your programs.
