We are receiving increased interest in setting up student accounts, and to help alleviate some of the questions I wanted to provide some more specific guidance on the process and general guidelines to be aware of before, during and after your round.

Setting up a Student account

- A student account is only available to full time Rutgers students.
- Students must have an account on the foreUp booking engine before requesting student access. If you do not have an account, please follow these directions to establish one:
 - ✓ Go to the golf course website at <https://ipo.rutgers.edu/bs/golfcourse/>.
 - ✓ Click on the "Book a Tee Time" link and click on the login link in the upper right hand corner of the page.
 - ✓ Follow the directions to sign up for a free account.
 - ✓ When finished, email the golf course staff at rugolfcourse@ipo.rutgers.edu and provide your username and RU ID number. A staff member will verify your student status.
- Permission will be granted within 24 hours. Please plan accordingly for your tee time, as students who have not been granted permission will not be able to receive the student discount.
- Student reservations will be limited to one player per account. If you are booking for more than one player/student, make a booking as the general public and email or call us to modify the reservation with all of the names of the players. Again, only full time Rutgers students receive the student rate, all other players must pay the public rate.

General Guidelines

- Student rates are available all day Monday to Friday, and after 3 pm on Saturday and Sunday. Any booking before 3 pm will be at the public green fee rate of \$50.
- Golf carts and pull carts are available. A riding cart is \$18 per person, and a pull cart is \$5 per person.
- Everyone MUST have their own set of golf clubs and bag. No sharing of equipment.
- No rental sets are available due to COVID-19 guidelines.
- We partner with Golf Now to provide greater access to our tee times. If you are a student and book through Golf Now, you will not receive the full time student rate. To receive the rate you must book through our website.

As always, if you do not feel well, please stay home and consider calling a health care professional. We take the responsibility of running a safe operation very seriously, and staff will enforce guidelines as needed. If you should have any questions please call the pro shop at 848-445-2637.

Be safe,
