

# RENT A BIKE

## GO GREEN

### \$25 PER SEMESTER OR \$10 PER MONTH

### Bike Rental Pilot Program

As part of the University's mission to provide cost effective and green transportation alternatives to the University community, the Rutgers **Green Purchasing Program** has teamed up with the Rutgers University Department of Transportation Services to launch a bike rental pilot program. Sponsored by the Rutgers Energy Institute, 150 bikes for this pilot program will be made available at central locations throughout the New Brunswick Campus.

Users are required to register for the program prior to renting a bike. Once registration is complete, user's may log in to the automated bike rental system and check out bicycles per semester.
